

DOGS & SMALL ANIMALS

10' x 5' Dog Kennel and 10' x 10' Dog Kennel

Powder River's Dog Kennels continue to improve to better meet the needs of you and your dog. Some of the latest improvements include: Lockable slam latch, heavier hinge, center framed wire for reversibility, wider door opening to accommodate portable kennels, mowers, etc. The kennels are constructed from all steel 18-gauge, 1.66-inch diameter frame and 8-gauge wire. Two connectors are included with each kennel section.

2-way Connector for Corners

3-way Connector (sold separately)

Butterfly Clamp

Dog Kennel Latch
