

# HORSE 5-RAIL AG PANELS

## NEW 5-Rail AG Panels

Powder Mountain's 5-Rail AG Panels come in 12' and 16' lengths. They are 5 rail and 54" tall, using our popular formed stay for additional support. One less rail gives you a competitively priced panel great for a variety of uses such as:

- ✦ Perimeter fencing
- ✦ Protecting oil or methane wells
- ✦ Even corrals or round pens for gentle horses

**10' and 12' Combo Panel available in 5-Rail** Order No. 027-11010 and 027-11012
