

# CATTLE GUARDS

Designed to meet H-15, H-20, U-54 and U-80 specifications, these cattle guards are used and recommended by state and federal agencies. These guards are available in lengths of 8 feet, 10 feet, 12 feet and 14 feet. They can be installed end-to-end to meet your road width requirements. The H-15 and H-20 are also available in a 7-foot, 5-inch road length. Other options include a three rail clean out section (except on the U-80), end wings and steel posts.
