

# DOGS & SMALL ANIMALS

## 10' x 5' Dog Kennel and 10' x 10' Dog Kennel

Powder River's Dog Kennels continue to improve to better meet the needs of you and your dog. Some of the latest improvements include: Powder Paint Coat for improved rust prevention, lockable slam latch, heavier hinge, center framed wire for reversibility, wider door opening to accommodate portable kennels, mowers, etc. The kennels are constructed from all steel 18-gauge, 1.66-inch diameter frame and 8-gauge wire. Two connectors are included with each kennel section.
