

POWDER CREEK RANCH PRODUCTS

12-foot Powder Creek Panels

Powder River offers Powder Creek, one of the best all purpose panel lines in the market today. Panels are available in 10', 12', and 16' lengths. A 6' Bow Gate and a 12' Combo Panel are also available in the Powder Creek line. These panels are ideal for perimeter fencing, round pens, etc. The 16-gauge vertical stays give additional support to the tubular rails. The 64" height, along with our popular pin and clip connections, match up to our other panels. (Powder Creek panels are not designed for holding cattle.)

POWDER CREEK PANELS — GREAT VALUE

- Best all-purpose panel out there
- 16-Gauge formed stays add substantial strength
- Comes with Powder River's popular pin and clip connectors
